Getting Started & What to Expect

Be Prepared!

- ✓ Gather your program documentation
- ✓ Have your reservation number available
- ✓ Certificate of counseling issued upon completion
- ✓ Have your loan officer and project manager's contact details available

For most of us, buying a home is the single largest investment we will ever make – It's normal to have questions and feel uneasy about the process. A Certified Housing Counselor will make sure you are fully informed and prepared before taking this big step.
